

SESSION 6

PRIVATE SESSION WITH OTHERS INVITED

PLANNING COOPERATION

Focus of the cooperation. Pick one or two situations to work with. Make your choice based on what would be most helpful to the child.

.....
.....
.....

The approach. What elements of Komet will you use? Describe how the work will proceed - state tasks for the Snake game, for example. Decide when the work will begin.

.....
.....
.....
.....

Communicating about your cooperative efforts. Write down how often and by what means you will contact each other.

.....
.....
.....

Tell the child. Agree who will tell the child about the meeting.

.....
.....
.....

SESSION 6

PRIVATE SESSION WITH PARENT

CHALLENGES AND SOLUTIONS

Challenges. What are your challenges and in what situations do they occur?

.....
.....
.....
.....
.....

Interaction analysis. Carry out an interaction analysis to clarify what you are doing that affects your child.

<p>Before What do you do before?</p> <p>.....</p> <p>.....</p>	▶	<p>The child's behavior What does the child do?</p> <p>.....</p> <p>.....</p>	▶	<p>After What do you do after?</p> <p>.....</p> <p>.....</p>
--	---	---	---	--

Suggestions for solutions. Write down suggestions for solutions and pick one or more to continue working with.
